

### Invitation to CIT Circle 2008 at Carlsberg IT

Carlsberg IT is proud to invite you to participate in another round of our network meeting for IT people – CIT Circle.

**Bar Jacobsen**  
**Gammel Carlsberg vej 11, 2500 Valby**  
**Thursday 4. September 2008, 17.00-22:30 (or later)**

Don't miss the chance to participate in a ball of an evening filled with inspiration and networking – the beers are on us.

#### **Why?**

The purpose of CIT circle is to create a suitable frame for both professional and social networking between IT people.

This is the ultimate possibility of meeting associates from your IT world and being introduced to new IT friends and to get an introduction to our interesting and diverse projects in Carlsberg IT.

#### **What?**

Carlsberg IT is growing and is amongst other exciting projects starting up a huge standardisation project (BSP), which is larger than most projects in the industry. This and more we would like to share with you. The focus for the evening will therefore be on our different applications and the SAP environment in Carlsberg.

#### **CIT Circle program 2008:**

- Welcome - General presentation of Carlsberg IT (by Lars Krejberg Petersen, IT Vice President)
- Introduction to Business Standardisation Program
- Tour around the Carlsberg premises
- Networking and beer

#### **Who?**

The invites will be a mix of colleagues in the IT world and people from Carlsberg IT.

#### **Enrolment**

For enrolment please contact Thomas Folbjerg at [Thomas.foldbjerg@carlsberg.com](mailto:Thomas.foldbjerg@carlsberg.com).

It is free to participate but there is a limited amount of seats which is why we follow the first come, first serve principle.

Last date of enrolment is 3rd September 2008.
