

# Semper Ardens Press Kit

**Semper Ardens is a line of premium gourmet beers developed by brew masters in Copenhagen and produced by Carlsberg Denmark. The first variety of the series was first launched in 2000 and currently consists of five beers of which two are seasonal Christmas and Easter beers. The name Semper Ardens – 'Always burning' was Carl Jacobsen's motto (son of founder J.C. Jacobsen).**

## Products

Semper Ardens Abbey Ale

Beer type: Ale

Alcohol by volume (ABV) 7,3%

Abbey Ale is brewed on münchener malt, caramel malt and a little hard-roasted chocolate malt, which gives the beer a dark glow and a taste with burnt undertones. It is fermented with a top yeast, which provides a hint of blackcurrant.

Semper Ardens Keller Pils

Beer type: Pilsner

Alcohol by volume (ABV) 5.7%

Semper Ardens Keller Pils is a fresh bottom-fermented pilsner with a light fruity character. The round aroma leads your mind to barley-fields in the summertime.

Semper Ardens Summer Dubbel

Beer type: Pilsner

Alcohol by volume (ABV) 6.0%

Semper Ardens Summer Dubbel is a refreshing full-bodied pilsner in perfect balance and with a twist of elderflower that makes it a wonderful thirst quencher on a bright summer's night

Semper Ardens Blonde Bier

Beer type: Ale

Alcohol by volume (ABV) 6.0%

Semper Ardens Blonde Bier is top-fermented ale brewed according to belgian brewtraditions. The balance of taste clearly favours sweet notes of malt with only limited bitterness. The flavour is rich in fruity and flowery aroma from the fermentation.

Semper Ardens Christmas Ale  
Beer type: Ale  
Alcohol by volume (ABV) 8.3%

In 2004 Semper Ardens Christmas Ale was chosen as the Best Beer News by the "Danske Ølentusiaster". It is a spicy and rich Christmas beer with many complex notes of caramel and roasted nuts and a light titratable acidity. The scent comes from ripe fruit, liquorice and Christmas spices.

Semper Ardens Easter Brew  
Beer type: Münchener type Dunkles bock  
Alcohol by volume (ABV) 6,5%

Semper Ardens Easter Brew is brewed with large amounts of Münchner malt and some caramel malt, which gives a deep copper-brown color and white foam with a brownish tint.

The flavor is rich and dominated by roasted malt elements, mild sweetness and caramel. Semper Ardens Easter Brew ends with a pleasant bitterness created by the Bohemian Saazhumle
